All that you are....can make an eternal difference**

**Come join us on the richest experience of your life**

**The mission of Jewish Voice Ministries is to bring physical and spiritual healing to the impoverished children of Abraham scattered around the world. This fall we will be traveling to Gondar, Ethiopia, a place desperate for medical care. As thousands of Ethiopians receive medical care at our clinics, many hundreds of them will respond to the Gospel.**

**JVMI desperately needs MEDICAL & DENTAL PROFESSIONALS to invest their time and gifts into the eternal destinies of God's beloved "outcasts of Israel." If you are a doctor, dentist, or nurse PLEASE consider joining us in Ethiopia. The cost for this trip is \$2,750. At times we are able to partial scholarship dentists and doctors. Please contact us if you are unable to finance this mission trip! We want to try and help if we can!**

**Some of the needs we have for the upcoming trip to Gondar are: eye care specialists (ophthalmologists, optometrists, and opticians) doctors, physician assistants, RN's, dentists, dental assistants, hygienists.**
